

## RAS AL HAMRA BOAT CLUB – FISHING SECTION

### Faisal Riyami and Salim Khatri overall winners

**Winners and participants and their prizes**

The first round of 'The 2019 Angler of the Year PDO Recreation Club' competition was held on Saturday 4<sup>th</sup> May 2019 at Ras Al Hamra. Eight boats took part in this round which is one of the biggest field from our recent competitions. The weather conditions were reasonably calm with wind speed not exceeding 5 knots. Competition start time was set at 6am and not long after that several boats had already launched and could be seen heading East towards weather buoy while others went straight to Fahal Island to try their luck with early morning trawling for bonito fish. The boat of Raju & Lixin was first in the water and was followed by Juod & Nabil and later by Captain Jamal and Salim Harthy in Abha while a 3 member team of Faisal Zarai, Mohammed Busaidi and Talal Al Musalami followed in their boat Lilac. Said Harrasy paired up with Ameer Salmi in his renovated boat Shams, and as his regular partner Sabri Barwani was unable to join. The competition also saw new member team of Carsten and Donald who were taking part in their second competition at PDORC Boat club. It is always a pleasure to welcome new blood in the fishing section family and we look forward to their participation in future events. A total of 17 anglers were all excited and eager to get into action and vying for the prizes as well as securing points for the end of year "Angler of the year title".

As usual the team at the club safety post performed an amazing job and ensured all boats were launched safely without any incident. Anglers were eager to help each other to retrieve the trailers after launch with usual laugh and friendship. By 12:15pm boats could be seen heading back to the bay after long day out. The day proves to be one of the most challenging in terms of size and variety of catches with a total catch of only 49.8kg that was mostly from bottom fishing. The biggest catch of the day was a 2.1 kg Hamoor caught by Faisal Zarai
