*All Divers Are

Join us exploring Oman underwater. We are a very friendly and active section of the Ras Al Hamra Recreation Club with around 90 members... We dive every week-end so why not join us for some world-class diving on your door step?

COME AND MEET US AT OUR REGULAR PLANNING MEETING AT 8.00 ON WEDNESDAYS IN THE DIVE ROOM/BOAT CLUB BAR

ALREADY A DIVER?

If you are already an Open Water Diver – no matter which organisation your qualification is with (PADI, SSI, NAUI etc.) – you can simply come and dive with us. You won't need to do any more training but there are lots of opportunities to “cross over” to BSAC and gain further skills and qualifications if you want. Contact our Membership Secretary—Chris Grace (96964996) - or come along to our weekly planning meeting on a Wednesday evening to find out more.

If you have not dived for a while we run regular “back in the water” sessions and there is still time to join these.

Want to Learn to Dive?

We are not currently planning a beginner course so if you are keen to get started you can train with one of the commercial dive schools and then join us once you have qualified. Either way, call in on one of our regular Wednesday meetings to get the low-down from our Training Officer—Neil Abbot.

Summer Diving

Don't forget that diving continues through the summer – we have been out almost every weekend so far and hope to see you on the boat soon. If you need more encouragement whale sharks have already been spotted off Fahal Island!

Come along to the DFP meeting on a Wednesday at 8.00 in the Boat Club Bar area to sign up or find out more. If you have not dived for a while, maybe this is the perfect opportunity to get back in the water.

AW News

Following the accident to AW earlier this year Jamie has been hard at work organising the repairs. Repairs to the hull are now complete and it is expected to be returned to the Club in the next few days where it will get the new canopy which is waiting for it and the refurbished engines back. So hopefully we will soon be back to having two boats to dive off again.
